

Dear Parents/Caregivers,

Reporting to Parents: Student Achievement and Progress in 2012

The process for reporting to parents regarding student achievement and progress is slightly different this year as we implement final changes to our process.

The reporting schedule for this year is as follows:

- **Week 4 Term 1:** Parent Interviews (students are not required to attend)
- **Week 9 Term 2:** Pupil Progress Presentations (parents and students to attend)
- **Week 10 Term 3:** Classroom Open Day on Tuesday 18 September 3-5pm (for all students)
- **Week 8 Term 4:** End-of-Year Reports issued for all students

With kind regards,

Darrel Goosen
