

MATAKANA FLAVOUR

A MATAKANA SCHOOL COOKBOOK

Matakana Flavour is a collection of over 100 favourite recipes from the families of Matakana School, all tried and tested by the cookbook team.

Printed in full colour with photography by Roberto Buzzolan, it celebrates delicious food, the beautiful Mahurangi region and of course the children of Matakana School.

Matakana Flavour has been produced as a fundraiser for Matakana Primary School. Every dollar from cookbook sales goes directly to the school towards the creation of a new information centre in the school library.
